March 30, 1983

The Honorable Edwin Martinez
Governor, Pueblo of Laguna
P. O. Box 194
Laguna, New Mexico 87026

Dear Governor Martinez:

I recently sent you a copy of our letter to the Bureau of Indian Affairs regarding Anaconda's posting of the \$45,000,000 reclamation bond. The purpose of my letter today is to advise you of the status of Anaconda's current activities at the minesite.

We have, as you know, moved office furniture and various miscellaneous supplies from the minesite over the past two weeks. We are also making preparation to ship to other Anaconda properties various pieces of equipment they have requested. In addition, we have contracted with Forke Brothers Auction Company to conduct an auction of surplus equipment for June 7 and 8. The mine equipment will be auctioned at the minesite and the mill equipment will be auctioned at the millsite. All surplus equipment which has not been otherwise committed or designated for retention, will be disposed of at this time. If you have any questions regarding this equipment or these proceedings, please feel free to call me.

I will keep you informed of further developments or changes in plans.

Yours truly,

W. C. Norem
General Manager
